

# ANTONIO SESSA

SENIOR QA ENGINEER

ISTQB® Certified Tester - CTFL & CT-TAE

PSM™ Scrum Master

 [in/antoniosessa](https://www.linkedin.com/in/antoniosessa)

 Milan, Italy

## About me

*"Give me a lever, a place to stand and well-done investigation, and I will move the earth."* - Archimedes' semi-cit.

I was born as tireless curious. I'm a proactive guy, used to knowledge sharing and receiving feedbacks (whether positive or negative).

In my spare time I enjoy capturing the beauty around me, and deep dive in the world of personal finance.

## Hard skills

- Debugging
- Requirements analysis
- Testbook management
- Defect and bug management
- Reporting and KPIs
- User experience
- Manual and Automatic tests
- No Regression and Acceptance tests

## Soft skills

- Teamwork
- Problem Solving
- Adaptability
- Critical thinking
- Emotional Intelligence
- Time management

## Used technologies

- Asana - Figma - Miro
- Datadog
- Typescript - NextJS
- Postman, Cypress and WebdriverIO
- Play Console - App Store Connect
- Jira and Confluence

## Spoken languages

Italian - Mother tongue

English - B2
